

Credo: The Value System at Inductus

- Open and transparent
- Customer first.....always
- Ongoing innovation is the key to success
- Respect and encourage individual ability and creativity
- Passion for achievement & setting newer horizons
- Research.....experiment and learning, anytime
- Queries and troubles should be sorted out on the same day
- Freedom within the boundaries of discipline
- Let's build and work on our own processes, systems & deliverables
- Employees are the only asset; we must respect their dignity
- We owe our success to society and must pay back
